### **Avalokiteshvara Initiation**

*Avalokiteshvara (Tibetan:Chenrezig), is revered throughout the Buddhist world as the embodiment of the compassion of all the Buddhas. We believe that whenever we are compassionate we experience a taste of our own natural connection with Avalokiteshvara and that through the practice of this deity, we can become aware of increasing compassion in our lives, and ultimately, awaken as this compassionate Buddha. At this initiation you will also receive complete instructions on the practice of deity yoga.*

**Sunday, Oct 2, 2016 at 2:00pm:**

### **Yamantaka Purification**

*Yamantaka is a wrathful emanation of Manjushri, the Buddha of Wisdom. Yamantaka means "Destroyer of Death" or "Conqueror of Death" and is a meditational deity (Tib: yi-dam) of the Highest Yoga Tantra class. Therefore, this purification ritual is most powerful in purifying, healing, pacification of all negativities and protection from negative effect of elemental pollutions, etc. This ritual is also very effective for those who are suffering from strokes and mental anxiety caused by trauma, etc.*

**These teachings will be dedicated to the awakening of much needed compassion for world peace.**
